HEARING OFFICER DIRECTIVE**

DOCKET NO. 2020-229-E Order No. 2021-42-H

APRIL 12, 2021

Hearing Officer: David Stark

DOCKET DESCRIPTION:

Dominion Energy South Carolina, Incorporated's Establishment of a Solar Choice Metering Tariff Pursuant to S.C. Code Ann. Section 58-40-20 (See Docket No. 2019-182-E)

MATTERS UNDER CONSIDERATION:

Request for Extension of Time to File Proposed Orders or Post-Hearing Briefs

HEARING OFFICER'S ACTION:

On April 9, 2021 the South Carolina Coastal Conservation League, Southern Alliance for Clean Energy, and Upstate Forever requested that the South Carolina Public Service Commission grant a two-day extension of time – from April 12 to April 14 – for the parties to Docket No. 2020-229-E to file proposed orders and/or post-hearing briefs. In the request, it is asserted that, “[t]he Office of Regulatory Staff, Dominion Energy South Carolina, Vote Solar, and Frank Knapp, Jr. indicated that they do not object to this request. Alder Energy Systems, LLC, North Carolina Sustainable Energy Association, and Solar Energy Industries Association indicated their support of this request.”

Since the parties are generally in agreement, and since no party will be prejudiced by such a request, the request for the extension of time until April 14, 2021 to file proposed orders and/or post-hearing briefs is granted.
